

# S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood, and permanently cures Rheumatism. S. S. S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and barks of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.

## ENGLISH FIGHTER IS OUT OF PRISON

Dick Burge Maintains He Was the Innocent Dupe of Robt. Gould.

Liverpool, Sept. 17.—Dick Burge, the famous pugilist, who has just been released from prison after serving a seven-year term for complicity in the Liverpool bank frauds, declares that he is innocent of the crime for which he paid the penalty. He declares he was the innocent dupe of Robert Gould.

To a newspaper representative the famous pugilist made the following statement: "This is the first opportunity I have had to speak to the public since my conviction. I am absolutely innocent of the charges on which I was convicted. It was declared that I conspired with Gould. My reply is that I never saw or had any communication with Gould until after my arrest."

"I had no knowledge of his connection with a bank, never saw or handled a check drawn by him, or in his favor, and never used any kind of persuasion, direct or indirect, to induce him to act dishonestly. Nor had I any opportunity to know or idea that the money with which he was betting when I first heard of him, and for 18 months before that, was not his own, or the property of a syndicate of backers, as he declared."

"While I have been indebted to some of the prison officials," declared Burge, "and notably to Dr. Loughlin, and to the chaplain of Portland, for encouragement and kindness at times of great distress, I must say that I have also found among the officers men who are tyrants and torturers. Whatever else I do will be the result of my career, I hope to help in raising a new system in the prisons—one that will prevent this awful goading, this petty tyranny, which afflicts prisoners and officials almost in equal degree."

Continuing Burge said: "I have received many scores of kind telegrams since my release. Among the first were messages from Jim Corbett, Jack Johnson, Battling Nelson, Jim Jeffries, and many of the most prominent pugilists of the world, also Miss Marie Lloyd and Alec Hurley. Many of these have been staunch friends and true to me in all my trouble."

Burge has received several large propositions to give sparring exhibitions and has expressed a desire to go to America where, he says, he has been offered inducements.

Finally Burge said: "I shall always maintain that my sentence was illegal and future events will prove it beyond all doubt. Had there been a court of appeal at that time I would never have been convicted."

**JOHNSON TOO WEAK FOR JIM JEFFRIES**

Colored Man's Showing Against Kaufman Fully Convinces the Experts.

San Francisco, Sept. 17.—Johnson is not the man to whip Jim Jeffries, according to most of the local boxing experts who saw him batter Al Kaufman in Thursday's ten-round, no-decision contest. There is no doubt about the black man's cleverness, his defense, nor his accuracy in placing his blows. But that he lacks the steam to stave the burly former champion and to weather his bull-like rushes is the belief of nine out of ten of those who studied the black man's effort.

If given plenty of time, he may be able to develop more powers for his punches, but if he were to get into the ring with Jeffries next month on even terms, so far as training is concerned, the former boiler-maker would be an overwhelming favorite, and would be looked upon with suspicion should he fail to put away the negro inside of 20 rounds.

Accepting his victory over Al Kaufman as a matter of course, and refusing to be unduly elated with his easy match, Jack Johnson went out for a long auto ride over the San Mateo county, stating after his return that it was the first time in three weeks that he had felt perfect freedom.

"But don't think for a moment that I intend to let up at all in my training work," the colored giant told a party of friends at his training quarters while waiting for lunch to be served, lunch in this case being something like a workman's real meal.

"There won't be any letup on my part, for I intend to be in the finest of condition for the Ketchel match."
